Solid Waste Program

1. The Solid Waste Program will be in Hopewell. The facility is located behind the Hopewell highway garage at 2716 County Road 47.
2. The Town has two (2) compactors. The transfer station will be open Wednesday evenings from 5:00 PM - 7:00 PM and Saturday mornings 8:00 AM – 12:00 NOON. The cost of fill (tipping fee) will be paid.
3. This system will spread the cost between the tax base and the users. This system will reward the person who is recycling and will really reward those who begin to do backyard composting.

Purchase a punch card for ***$30.00***
NO hazardous or industrial/ construction waste will be accepted at this facility.

Ontario County Collection Events will be posted on Town of Hopewell Website when events become available...(example - hazardous waste, tires, mattresses etc.)

The cost to dispose of household garbage is mostly unknown and leaves people with the illusion that it is a free service. The result: there is no incentive to recycle or to reduce waste and our County Landfill continues to fill at an alarming rate. Further, people who are conscientious about reducing waste and recycling subsidize the cost of those who do not.

Town of Hopewell Residents have the option of contracting with a private hauler or taking their weekly household refuse, bulky waste, and recyclables to the Town Transfer Station.
